CRP Automotive Delivers Cutting-edge OEM Technology with Three New Pentospeed 0W-20 Motor Oils for European Makes

- Application-specific synthetics cover BMW, Volvo, Volkswagen vehicles

Cranbury, NJ... CRP Automotive (crpautomotive.com), a leading source of OE-quality replacement and service parts, now offers three new Pentospeed application-specific, motor oils that are formulated to deliver super high performance and high fuel economy. The new Pentospeed motor oils deliver cutting-edge OEM technology and fulfill the need for technically advanced, high performing formulations.

The new 0W-20 Pentospeed motor oils cover over 3 million VIO and feature the following OE approvals: **Pentospeed LL-14** – BMW approved for Spec. LL-14, **Pentospeed VCC** – Volvo approved for Spec. VCC RBSO-2AE' and **Pentospeed SP IV** – Volkswagen approved for Spec. 508.00/509.00

All three motor oils were developed using the newest additive technology, in conjunction with ultra-high-performance base oil, offering significantly lower fuel consumption and speedy engine oil circulation. The formulations have been developed for highly stressed engines, down-sized aggregates, and engines with Stop-Start systems.

About the Pentosin Brand

Pentosin is well known as a leading innovator and manufacturer of high-tech automotive fluids for Asian and European vehicles. Pentosin is approved and recommended for use as both initial fill (OEM) and service refill by over 30 international automotive manufacturers. By partnering directly with the car manufacturer, Pentosin is able to develop unique fluids to meet today's challenging technical innovations for a wide range of applications. CRP Automotive offers a Pentosin program of antifreeze, brake fluids, hydraulic fluids, motor oil, and transmission fluids.

About CRP Automotive

CRP Automotive is a leader in the manufacture, marketing, and supply of OE quality import automotive parts. CRP provides some of the industry's leading brand names, including AAE Steering System Components, Rein® Automotive Parts and Accessories, ContiTech Automotive Belts and Kits, Pentosin Technical Fluids, and AJUSA Engine Parts. All products are backed by the CRP promise of quality and superior service. Founded in 1954, CRP Automotive has

established a solid reputation for exceeding its customers' expectations. CRP maintains key distribution centers in the North American markets.
