CRP Automotive Develops Rein Automotive Electric Water Pump Replacement Kits for Popular BMW Models

- Kits include OE electric water pump, OE quality Rein hoses and thermostat

Cranbury, NJ...CRP Automotive, a leading source of OE-quality replacement and service parts, offers Rein® Automotive Electric Water Pump Replacement Kits for popular BMW models. The kits feature OE electric water pumps, unique Rein hoses, OE-quality thermostat assemblies, and come with all necessary mounting hardware and components to complete the repair quickly and efficiently.

Developed to address common failure items like the electric water pump, plastic flanges, thermostats and hoses, Rein Electric Water Pump Kits are an ideal solution for the recommended service of cooling system components at 80,000 miles. These kits ensure that the time-consuming water pump repair is performed in a single effort, eliminating the possibility of a repeat repair.

Applications for Rein Electric Water Pump Kits are available for popular BMW models including the 128I, 325I, 328I, 328XI, 330I, 330XI, 335I, 525I, 525XI, 528I, 528XI, 530I, and 530XI. Model year coverages extends from 2006-2013.

CRP Automotive offers seven Rein Electric Water Pump Kits and delivers coverage for over 1.3 million VIO across the United States and Canada.

Easy Online Lookup

The Rein Automotive under car program features easy look up on CRP's online application catalog that can be accessed through the CRP Automotive or Rein Automotive brand websites, www.reinautomotive.com, or Show Me the Parts, www.showmetheparts.com/crp/.

About Rein Automotive

Rein Automotive offers a wide range of OE-quality automotive replacement parts for import vehicle applications, from motor mounts to hose assemblies and just about everything in-between. Rein programs include AC parts, an antivibration program, an expanded hose program including power steering hoses and a master cooling program inclusive of coolant hoses, water pumps and kits, coolant expansion tanks, thermostats and thermostat assemblies along with caps and sensors. The Rein Automotive name stands for consistent and reliable

quality. Only high quality parts wear the Rein Automotive name, whether for European or Asian vehicles.

About CRP Automotive

CRP Automotive is a leader in the manufacture, marketing, and supply of OE quality import automotive parts. CRP provides some of the industry's leading brand names, including AAE Steering System Components, Rein[®] Automotive Parts and Accessories, Pentosin Technical Fluids, and AJUSA Engine Parts. All products are backed by the CRP promise of quality and superior service. Founded in 1954, CRP Automotive has established a solid reputation for exceeding its customers' expectations. CRP maintains key distribution centers in the NAFTA market.
