Rein Automotive Automatic Transmission Service Kits Help Restore Proper Fluid Pressure in ZF 6HP ATs

- Kits include pan, filter and gasket, pan bolts, valve body adapter and sleeves, harness plug sleeve, fill plug seal

Cranbury, NJ...CRP Automotive, a leading source of OE-quality replacement and service parts, offers Rein® Automotive Automatic Transmission Service Kits for numerous makes with ZF 6HP series transmissions. Rein Automatic Transmission Service Kits include all of the necessary parts and components to complete the transmission service including the pan, filter and gasket, pan bolts, valve body adapter and sleeves, harness plug sleeve, and fill plug seal.

Created in collaboration with highly experienced service technicians, these kits are a solution to the short-lived valve body sealing sleeves and adapter in ZF 6HP series transmissions. The kits include all the direct-fitting sealing hardware needed to replace the faulty valve body sealing sleeves no later than the recommended fluid and filter change interval of 62,000/8 years. After replacement, the Rein Automatic Transmission Service Kits help restore the proper fluid pressure in ZF 6HP 19/26 transmissions.

Four Rein Automatic Transmission Service Kits are offered to service a wide range of popular makes and models. Coverage exceeds 1.5 million VIO across the United States and Canada.

Easy Online Lookup

The Rein Automotive under car program features easy look up on CRP's online application catalog that can be accessed through the CRP Automotive or Rein Automotive brand websites, www.reinautomotive.com, or Show Me the Parts, www.showmethепarts.com/crp/.

About Rein Automotive

Rein Automotive offers a wide range of OE-quality automotive replacement parts for import vehicle applications, from motor mounts to hose assemblies and just about everything in-between. Rein programs include AC parts, an antivibration program, an expanded hose program including power steering hoses and a master cooling program inclusive of coolant hoses, water pumps and kits, coolant expansion tanks, thermostats and thermostat assemblies along with caps and sensors. The Rein Automotive name stands for consistent and reliable quality. Only high quality parts wear the Rein Automotive name, whether for European or Asian vehicles.

About CRP Automotive

CRP Automotive is a leader in the manufacture, marketing, and supply of OE quality import automotive parts. CRP provides some of the industry's leading brand names, including AAE Steering System Components, Rein® Automotive Parts and Accessories, Pentosin Technical Fluids, and AJUSA Engine Parts. All products are backed by the CRP promise of quality and superior service. Founded in 1954, CRP Automotive has established a solid reputation for exceeding its customers' expectations. CRP maintains key distribution centers in the NAFTA market.
