PENTOSIN PENTOSPEED SUPER PERFORMANCE 5W-40 MOTOR OIL

Data available through Activant/Epicor, WHI, or ShowMeTheParts.com

Today's high performance engines have specific demands due to engine oil capability. Changes in engine design for lower fuel consumption and reduces emissions are leading to demands for newer and better performing engine oils. Pentospeed SP 5W-40 is an Super Performance engine oil answers these demands by providing outstanding fuel economy and reduced emissions. It has excellent cold starting behavior, extremely fast oil circulation and high thermal stability. Pentospeed SP 5W-40 is thermal stable, reduces wear and can be used for extended drain intervals.

Although Pentospeed SP 5W-40 was originally developed to meet the long life service requirements of Mercedes Benz and BMW vehicles, Pentospeed SP 5W-40 also complies with the requirements of Audi, Volkswagen, MINI, and Porsche vehicles. Pentospeed SP 5W-40 is miscible and compatible with conventional branded engine-oils. However, mixing with other engine oils should be avoided in order to fully utilize the product's benefits. A complete oil change is recommended when converting to Pentospeed SP 5W-40.

FEATURES & BENEFITS:

- Excellent cold start behavior
- Increased fuel economy
- Significantly lower fuel consumption
- High thermal stability
- Multi-purpose applications
- Over 15 million total VIO (US and Canada)
