REIN TIMING CHAIN SOLUTIONS

Data available through Activant/Epikor, WHI, or ShowMeTheParts.com

Rein Automotive now offers Rein Timing Chain Solutions for the EA888 2.0L, found in many popular late model Audi and Volkswagen applications. The Rein Timing Chain Solution program currently has 7 SKUs to fit over 1.2 million vehicles in the US alone. All solutions are road tested and include OE timing components. Rein brings you a more comprehensive solution versus other timing kits on the market, with up to 23 components to offer your shop customer a true job in a box.

Rein SELECT Timing Chain Solutions include:

- Timing chain and rails
- Balance shaft chain and rails
- Upper and lower chain tensioners and bolts
- Lower timing cover
- Upper timing cover, including seal and gasket
- Oil dipstick tube seal, crankshaft pulley bolt

Rein SELECT PLUS Timing Chain Solutions include:

- All of the above components in the SELECT Solutions, **PLUS**
- Camshaft bridge
- Camshaft adjuster valve
- Oil pump chain and tensioner
- Oil pan and gasket
- Accessory drive belt
