# THE CRP AUTOMOTIVE BRAND LINEUP

Since 1987, AAE has been a leading name in new and remanufactured steering racks, power steering pumps, and related electric components. Thanks to our rigorous testing and quality control, we have one of the lowest warranty rates in the industry. What's more, all of our remanufacturing is done here in the USA — and even our new parts are tested and proven here.

**EPS NEW & REMAN STEERING PRODUCTS • HPS NEW & REMAN STEERING PRODUCTS  
EHPS NEW & REMAN STEERING PRODUCTS**

When you need a replacement part for an import vehicle and quality truly matters, ask for Rein Automotive by name. A true dealer alternative, you can be confident our parts are correct in form, fit, and function the first time, every time. Many Rein parts feature upgraded materials to be “better than OE”.

**ANTI-VIBRATION PARTS • ELECTRICAL PARTS • OE HARDWARE • HOSES •  
OIL PANS • SUSPENSION PARTS • THERMOPLASTICS • TANKS & CAPS •  
TIMING SOLUTIONS • TURBO INSTALL KITS • WATER PUMPS • VALVE COVERS**

Pentosin is a leading brand of high-tech fluids for the automotive industry. Pentosin fluids are engineered to meet the demanding OE standards set by many of the world's leading automobile manufacturers. In fact, Pentosin products are original fill on a number of European and Asian vehicles.

**ANTIFREEZE • BRAKE FLUID • HYDRAULIC FLUID • MOTOR OIL  
TRANSMISSION FLUID • FLUID SERVICE KITS**
