

# KEEP YOUR BUSINESS FROM GOING TO THE DEALER

WHEN IT COMES TO COOLANT AND POWER STEERING HOSES, MANY SHOPS WILL CHOOSE TO BUY FROM THE DEALER RATHER THAN RISK COMEBACKS FROM A PART THEY'RE NOT CONFIDENT IN. **EACH TIME THIS HAPPENS, THEY LOSE OUT ON MARGINS AND YOU LOSE A SALE!**

With OE-quality Rein Automotive hoses from CRP, the company that brings you brands like ContiTech and Pentosin, you can take back more of these sales while giving your customers the chance to earn **higher margins while selling a part they can trust.**
