

SELECT Timing Chain Solutions CRP Part No. CKS0247 & CKS0248

Applications:

Multiple applications for
BMW N20 & N26 2.0L Engines
For details, see showmetheparts.com/crp

Part No. CKS0248

Innovative "job in a box" solution kits for timing chain replacement service. Includes timing chain, rails, tensioner, latest crank sprocket, high-pressure fuel feed pipe, breather hose, oil pan and gasket for AWD (gasket only for RWD), seals, gaskets, and hardware.

SELECT PLUS Timing Chain Solutions CRP Part No. CKP0249 & CKP0250

Applications:

Multiple applications for
BMW N20 & N26 2.0L Engines
For details, see showmetheparts.com/crp

Part No. CKP0250

Comprehensive solution kits including over 30 OE components for a true "job in a box". SELECT PLUS kits include all SELECT components plus: an oil pump chain drive, oil pump suction pipe, an alignment plug, and additional necessary hardware.

Turbocharger Coolant Line CRP Part No. CHT0924

Applications:

Multiple applications
for BMW
For details, see showmetheparts.com/crp

First-to-market coolant line manufactured with premium OE quality material to offer maximum protection from premature failures. Designed as direct-fit replacements to ensure trouble-free installation. Comes complete with hardware and seals.

Exhaust Hanger CRP Part No. EXH0043

Applications:

Multiple applications for
Audi & Volkswagen
For details, see showmetheparts.com/crp

First-to-market exhaust hanger is a direct-fit OE replacement produced with high-quality materials to ensure maximum life. Replace worn-out exhaust hangers to prevent damage to costly catalytic converters and other exhaust components. Hangers come complete to ensure proper fit and function.

New Steering Gear Box CRP Part No. 7828N & 7830N

Applications:

Multiple applications for
Chevrolet & GMC
For details, see showmetheparts.com/crp

Part No. 7830N

Gear box is engineered with high-quality components for longevity and smooth operation. Meets or exceeds OEM performance. To ensure long life, flush and fill steering system with OE approved power steering fluid.

New HPS Pump Kit CRP Part No. 63285NKTA

Applications:

Ford F-250 Super Duty 2011-16;
F-350 Super Duty 2011-16

First-to-market new HPS pump kit engineered to meet or exceed OE specifications. Comes complete with new pump, pulley, return pipe, o-ring, and reservoir. It is highly recommended that the reservoir is changed along with the pump to prevent issues with pressure flow. Sold without core charge.

ECAT data may not be available for parts shown for 90 days after initial announcement.
