

NEW! PENTOFROST EUROPEAN 50/50 PREDILUTED ANTIFREEZE

**THE EUROPEAN ANTIFREEZE YOU TRUST,
NOW AVAILABLE IN 50/50 PREDILUTED.**

CRP Automotive is excited to announce the expansion of our trusted Pentosin PENTOFROST line with the addition of convenient, ready-to-use 50/50 prediluted antifreeze for European vehicles. The new PENTOFROST E, SF, and NF prediluted formulas eliminate the guesswork and debate around mixing antifreeze, streamlining the service process and ensuring optimal performance.

Why Choose PENTOFROST Prediluted Antifreeze?

- **Ready to Use 1 Gallon Bottles:** No additional fluids or mixing required, saving time and reducing the risk of spills.
- **Guaranteed 50/50 Mix with Deionized Water:** PENTOFROST prediluted formulas utilize deionized water, removing harmful ions that can contribute to corrosion and scale buildup. Guaranteed 50/50 mix every time, preventing engine damage caused by incorrect dilution.
- **OE Formulations:** Specifically designed for European vehicles, meets OE specifications and all ASTM requirements.
- **Complete, Eco-Friendly Protection:** Nitrite, phosphate, and amine-free formulas prevent lime formation, corrosion, and cavitation while eliminating foaming.
